

How do I link to a TumbleBook e-book for remote learning?

TumbleBookLibrary, TeenBookCloud, and TumbleMath are all accessible through the VLC Games and Databases collection. At this time the sites are being offered for free by TumbleBooks so there is no requirement to login.

You can now create a personalized link to any book on TumbleBooks' websites. These books can be shared on your website, by email, social media, and remote learning platforms.

<p>First, log in to your subscription.</p> <p>In the blue nav bar below the site header you'll see options for "Home" / "Index" / "My Favorites" / "Playlist" / etc...</p> <p>Click on "INDEX".</p>																															
<p>The index lists all of our titles in our collection, and you can sort it by Title, Author, Type, or AR number if you wish! You can also jump to a specific letter of the alphabet by clicking on the letters in the "Jump to" line.</p>	 <table border="1"> <thead> <tr> <th>BookID</th> <th>Title</th> <th>Author</th> <th>Type</th> <th>AR Number</th> </tr> </thead> <tbody> <tr> <td>4183</td> <td>Zoe Sophia's Scrapbook</td> <td>Claudia Mauner and Elisa Smalley</td> <td>Story Book</td> <td>4.3</td> </tr> <tr> <td>4952</td> <td>Zoe Sophia in New York</td> <td>Claudia Mauner and Elisa Smalley</td> <td>Story Book</td> <td>4.5</td> </tr> <tr> <td>5742</td> <td>Zippy's Clubhouse Mysteries: Shadows of Casaca's Creek (Read-Along)</td> <td>Sharon M. Note: The TumbleBooks suite of products is incompatible with Microsoft Edge. For best results it is recommended that you access direct book links through Chrome. If your remote learning platform defaults to Microsoft Edge, users should be instructed to copy and paste the URL link into a Chrome or Microsoft Explorer Browser.
